

Community Crossroads: The Promise Zone Project
Expectations for Coaches

What you can expect from the Community Crossroads: The Promise Zone Project and Committee

- Clear communications, clear expectations and a contact for any questions.
- Match with at least one participant from The Promise Zone Project.
- An informative virtual Kick Off meeting for all participants and coaches.
- Three coaching sessions with your participant (two virtual one-hour sessions, and a LIVE session on June 23rd between 1 and 3 pm).

Our expectations of Coaches:

- Complete and submit your information to volunteer for the project once you receive your welcome e-mail.
- Participate in a virtual Kick Off meeting of all coaches and participants (date and time will be communicated).
- Be responsive to your participant in setting up coaching sessions and avoid canceling or rescheduling (except in the case of an emergency).
- Be available for a coaching session on June 23rd between 1 and 3 pm.
- Provide feedback to the program upon completion.

Coach-Participant matching and coaching processes:

- Coaches will register and provide information to committee, e.g. coaching niche, time zone, website, contact information, etc.
- Participants will complete a survey to understand what they are looking for in a coach and from the coaching experience. General coaching goals will align to goals of The Promise Zone Project.
- We will match participants with coaches and provide the connection through e-mail.
- Coaching matches will be made in May and a virtual Kick Off meeting will be conducted for all coaches and participants.
- Coaches and participants will participate in 3 coaching sessions (one hour each, two to be completed virtually, and the final one to take place at the conference in person between 1 and 3 pm on Thursday June 23rd).
- Coaches and participants will determine the times for their two virtual coaching sessions.
- The final coaching session will occur LIVE, at the conference on Thursday June 23rd, between 1 and 3 pm. Location to be determined.
